

CREW MEMBERS of the weather picket ship, the U.S.S. Calcaterra, unloading one of the 30 helium bottles to be refuelled while the ship is in Dunedin. The gas is used to inflate weather balloons while the Calcaterra is on picket duty. Pictured, from left, are Aerographer's Mate Third Class J. R. Brennan, Aerographer's Mate Second Class R. V. Kramer and Aerographer-Airman A. D. Baker.

USS CALCATERRA (DER 390)

c/o Fleet Post Office, New York, N. Y.
